## Just as you'd expect

Grafton brings the very best of European expertise right home to Ireland. Here are some of the many reasons to choose a Baumit EWI system:

**COMPLETE SYSTEM** - Baumit EWI System is a fully integrated system offering the widest design choice available so you can be sure that your needs will be met.

**SUPERIOR PERFORMANCE** - Our Approved Installers are trained to ensure that the recommended EWI system suits the specific needs of each project. Installation is to be carried out in accordance with Baumit Quality System, assuring clients of the highest standards at all times.

**TECHNICAL SUPPORT** - Whether for U-value calculations, project costing or access to Baumit database of construction details, our backup team is equipped to deliver first class levels of support.

## Don't wait - insulate...

**30%  
IN GRANTS  
TO HOUSEHOLDERS**

### Major Increase in Grants to Householders for Energy Efficiency just announced.

The Better Energy Homes Scheme provides grants to homeowners to undertake energy efficiency measures including External wall insulation, when coupled with extra measures additional bonus also applies.

The following table illustrates the changes in grant levels just announced:

Cash grant value	From	To
<b>External wall insulation</b>		
<b>Apartment/mid Terrace House</b>	<b>€2,250</b>	<b>€2,750</b>
<b>Semi-Detached/end Terrace</b>	<b>€3,400</b>	<b>€4,500</b>
<b>Detached House</b>	<b>€4,500</b>	<b>€6,000</b>

Undertake three measures of upgrade covered by the same scheme and receive an additional bonus grant payment of €300. A further additional grant payment of €100 is available for householders who undertake four or more measures.
